PRACTICES FOR JUNIORS

Intended for young people from 12 to 18 years old, the junior practices are supervised by two instructors from the School in each team. Two periods are set aside every Saturday to allow them to play under the advice of the instructors. These training sessions have the advantage of placing the youngsters in a situation where they can improve their performance and put into practice the skills acquired during the courses.

Price : 30€ / Practice / person (without horse rental)

THEORY COURSES

Regular practice is essential to evolve in our sport but theory is just as important to understand and practice polo in the safety of all, players and horses. These theory lessons will allow you to study the rules, understand the mistakes that could be made and know how to avoid them...

They are also essential for the good preparation of the Maillets passage (see page 17).

Price: 20€ / lesson / person (minimum 6 people per session).

POLO TECHNIQUE

BY STÉPHANE MACAIRE & DOMINIQUE PAN

This book provides a solid foundation allowing maximum room for improvement and concrete answers to all the questions that a beginner or average polo player should ask... but it is recommended that all others read it!

Available on the website www.lavauzelle.com or at the Club Boutique.

LES MAILLETS

BRONZE, SILVER OR GOLD... TO EACH THEIR OWN LEVEL! A PROGRAMME OF CERTIFYING TESTS TO VALIDATE THE PROGRESS OF THE RIDERS.

Following the example of the Galops of the French Equestrian Federation, the FFP is launching a new educational programme: the Bronze, Silver and Gold Maillets, a fundamental stage in the training of the future hopes of French Polo.

The objective of this new training programme, which is part of a clear and motivating educational project that can also be aimed at adult beginners, is to facilitate access to competition in complete safety by acquiring a good knowledge of:

- the horse,
- riding,
- handling the mallet,
- the rules of the game,
- and a good team spirit and fair play.

Essential elements grouped together in three educational modules. The skills sheet will be evaluated by rider with the various criteria acquired or not.

The examination will be done with several riders at the same time with a Polo School trainer during a one hour session.
